T-BALL HIGHLIGHTS

Scrappers

3/18/06

The rain stopped in time for the SCRAPPERS and the Mudcats to take the field Saturday morning, and boy was it muddy! For the SCRAPPERS, it was the first game of the season, and they were ready! All those practices paid off. Antonio, Austin, Chase, Conall, Daniel, Jack, Logan, Tanner, Shelby, and Zac hit the ball great. They fielded the ball like the pros – great alligators! And boy can they run! We are in for a fun season. Go SCRAPPERS!

FARM HIGHLIGHTS

Mojo Sounds Muckdogs

3/25/06

The MUCKDOGS and the Raptors met up for the second time this season.

The MUCKDOGS dazzled their fans with great plays on the defensive side. Nate had two awesome stops at second, throwing to Jeremy at first for outs in the first inning. Showing his range at shortstop, Chris made a nice snag and threw to Jeremy at second for an out in the fourth inning. Great job by the entire MUCKDOGS defense for being ready to play throughout the game.

Offensively, the MUCKDOGS were on fire. Stepping up BIG at the plate was Caitlyn, who smacked the ball for her first hit of the season. Way to go, Caitlyn! Kevin also came through with a big single. Matt, George, Chris, and Jeremy all went 4-for-4. Also with multi-hits in the game were

Aldo, Nate, Adam, Austin, and Carloss.

Unfortunately, Kris was sick and out commission for this game, and the MUCKDOGS are anxious for his speedy recovery and return to the field.

Kudos to Manager Buddy and his coaching staff. Many thanks to the fans of the Raptors and MUCKDOGS. The players appreciate your support! GO MUCKDOGS!

4/1/06

After a rain-out in March, the MUCKDOGS and Ironbirds finally met on the baseball field for the first match-up of the season.

The MUCKDOGS came up swinging early on in the game with lead-off hits by Matt and George. Jeremy's bat was on fire, hitting three singles and a double. Nate, with back-to-back singles, came around to score twice in the game. Austin also had two strong hits. Showing great determination, and battling off some hard pitches, Aldo hit a big single and eventually came around to score. After missing his last game, Kris was back and battled hard getting a big single.

The MUCKDOGS' defense was impressive. At the pitcher's mound was George, who caught a pop-up and turned to throw at Jeremy at first to complete a double play. Heads-up ball, guys! Later in the game, Matt made a great play on the mound and threw to George at third for the out. Jeremy snagged a scorcher at short and threw to a stretching Chris at first for an out. Over at the hot corner was Carloss, who made several great stops and caught a pop-fly for an out. Carloss was also awarded with the game ball. Awesome job, Carloss.

The MUCKDOGS wish Adam, Kevin and Caitlyn a speedy recovery, and cannot wait for their return.

Thanks again to the MUCKDOGS coaches and fans. A BIG thanks to our scorekeepers – Chris and Carey! Go MUCKDOGS!

MINOR HIGHLIGHTS

Red Wings

3/25/06

RED WINGS – 12
Thunder – 0

The RED WINGS met the Thunder again on March 25th. The RED WINGS were going into this game with a 2-0 record and they were going to keep their undefeated record.

The Wings were the visiting team, so they headed to the plated first. Stuart was our lead off batter, he was unable to get on base but he had a nice hit. His brother Nathan followed and landed a nice TRIPLE to centerfield. Zoe followed Nathan and with Zoe's mom cheering him on in the stands he put that game face on and landed an awesome hit to advance Nathan to second and himself at first. Kaden took his stance in the box; with Kane sporting his 'Kadens Brother' jersey from the sidelines he was hoping to rip one but was walked on his first at bat. Jake followed Kaden with a nice hit down third baseline to second Kaden to second. Dustin approached the plate and really wanted to get a hold of that ball, but was walked. Ashley got on base as a walk too.

Kaden took the mound again and brought his A game. Jake caught for Kaden and as always they work GREAT together. Kaden takes the signs from Jake and from there its history for the

opposing team. Our infield was on their toes as well; Stuart took first with Zoe at second, Nathan at short and Chris at third. Ashley was playing left, Kyle was center, and Dustin was in right. Kaden struck out the first batter, the second batter popped one up and Kaden struck out his third batter. Second inning, Kaden struck out his batters 1,2,3! He was RED HOT!!

Third inning, Ashley was walked and stole second base on a pass ball. You show them how it's done girl!! Kyle was walked and Stuart followed with a nice hit. Stuart decided to keep running the bases after his hit even though Coach Charles was at third base telling him to hold up at second, he was bound and determined to make it to third and he did! Stuart you are so fun to watch. Nathan ended the inning with a hit to the mound.

Kaden and Jake again with great teamwork struck out their batters 1,2,3! They don't get any better than that!!!!

Fourth inning, Zoe had an AWESOME triple. There was no stopping that boy he turned on those wheels! Kaden and Jake were dangerous in the box, with nice hits to advance their teammates.

Zoe took the mound in the fourth inning, he was on FIRE. Stuart caught for him and did a great job. Stuart says when he catches nothing gets past him! They too showed great teamwork. Good Job Guys! Peters was his first batter and he hit back to the mound and Zoe picked it up and threw to first for the out. Second batter popped one up to Jake for the second out. He faced Bowers and Zoe threw some HEAT he was outta there! I think we seen a little smile from Zoe up in the stands. LOL Roland did a great job at third base. Kyle did a

fantastic job at second. Way to play on your toes.

The RED WINGS took home another VICTORY to make them 3-0! WAY TO GO WINGS!! Coach Charles is so proud of his team, they work hard on the field each practice and it shows come game day. Thanks to the parents who were out supporting our team, the kids really like to hear everyone cheering them on; it gets them more 'hyped' up. Darla, thank you for keeping score, I know it was hectic up there. Thanks to Shelly for taking over. Your help is greatly appreciated it. Thanks!

The WINGS face the Timber Rattlers on Saturday at 2 p.m. They plan to clinch another VICTORY!

CONGRATS RED WINGS YOU GUYS ARE UNSTOPPABLE!!!!!!!

MAJOR HIGHLIGHTS

Callahan's Red Sox

3/18/06

White Sox – 4

Callahan's RED SOX – 14

The RED SOX returned to action after a two-week layoff and even with cloudy skies overhead their bats showed little rust as they pounded out 14 runs against White Sox pitching. The offensive outburst was highlighted by Marcus Smith, who had three hits

and blasted his first home run of the season over the center field fence. Marcus also drove in six runs, thanks to Brandon Iwasaki and Alex Doyle reaching base ahead of him. The top three RED SOX hitters combined to score nine runs.

But they were not the whole story offensively for the RED SOX. Jake Marshall had a triple and a double, the second hit driving in both Marcus and Adam Durbin, who had a double as well. David Barton

reached base in both of his at bats and scored twice. Trinton Murrell, Julian Vega and Carlos Castillo all had tough at bats. Tyler Brookshire walked and scored and run, and Mark Durbin hit the ball hard three times, eventually reaching on an infield error.

On the pitching front, Trinton started the game. Despite some early control problems and a couple of bad hops, Trinton stayed cool and got the first two outs of the game while only giving up two hits. Mark then came on and got the final out of the first inning on a nice play by Brandon at second base. Then, in the second inning, Mark used a wicked array of cutters, changeups and two-seamers to strike out the top three White Sox hitters in order. Mark pitched 2-1/3 innings in all, striking out five and limiting the White Sox to one hit (a nice double by former teammate Michael Cahill) and a lone run. Tyler finished up on the mound for the RED SOX. Flashing his trademark control, he did not yield a hit and struck out the first batter he faced on three pitches.

All-in-all, a big win for the 2-0 RED SOX, who will be repeatedly tested in this very competitive league.

3/25/06

Callahan's RED SOX – 11
Nationals – 7

Anxious to play the Nationals for the first time in this long season, the RED SOX came ready for action – despite the absence of Brandon and Trinton.

The RED SOX had a slow start, stranding Marcus (after reaching base on an error) and Mark (walk) in the first. Adam took the mound for the first time this season, and shut the Nationals down with two strikeouts, and an unassisted out at first by Mark.

In the second, Adam took first base after getting hit by a pitch and came around to score from the mighty bat of David. After a lead-off walk for the Nationals in the bottom of the second, Adam got into a groove striking out the next hitters, and snagged a comebacker and threw to Mark at first. The RED SOX yielded only one run to the Nationals in the second, heading to the third all tied up at 1.

The RED SOX bats came alive in the third. Jake led things off with a walk, and came around to score off a single from Mark. Tyler and Adam followed up with singles, and the RED SOX would go to the bottom of the third with a 3-1 lead. The Nationals came back strong in the third, and after giving up a few walks and a single, Adam struck out the side, showing great control. RED SOX 3, Nationals 5.

After a single in his first at bat, David smacked another single in the fourth. Jake wanted a piece of the action, hitting a nice single as well. The big bat of the inning belonged to Alex with a double. Nice hitting RED SOX. David and Jake came around to score, tying up the game once again.

Marcus stepped up to the mound in the bottom of the fourth striking out to two. Showing off his strength from behind the plate, Jake connected with Alex and gunned out a runner at second. The game would remain 5-5.

In the sixth, with a lead-off walk by Mark and Tyler following with getting hit by a pitch, the RED SOX would take the lead with the help of the bat of Julian. With a one-run lead, the game went to the bottom of the fifth.

The Nationals had runners at first and second, when Alex snagged the ball at short and threw to Tyler for a close call. Adam then handled things on his own at first base for the second out. After running the count full, Marcus came up with a huge strikeout to end the inning. The Nationals came back with two runs, going into the sixth and final inning with a 7-6 lead.

The RED SOX, with their backs against the wall, came up fighting in the sixth. Carlos started things off with a walk, followed by a single off the bat of Jake. Alex got aboard with a fielder's choice and came around to score off the bat of Marcus, who smacked double. Mark, showing patience at the plate, took first on a walk. Tyler and Adam came up with back-to-back singles, and another walk by David. When all was said and done, the RED SOX had taken an 11-7 lead, but would it be enough. In the bottom of the sixth, Marcus took the mound and never looked back. Marcus struck out the side to end the battle.

This was a GREAT game played by the RED SOX and Nationals. Many thanks to ALL the fans who came to support the players.

GO RED SOX!

Yankees

White Sox – 1
YANKEES – 11

It was touch and go for a while but the rain held off and the games were on and the YANKEES were ready to play. All of their hard work at practices has started to pay off. The team pulled together in their win over the White Sox. The pitching belonged to the Connor's. Connor Courtney pitched four great innings striking out seven and allowing only four hits. Connor Maitland finished off the game with two strikeouts. The defense of the YANKEES was awesome. Sheldon Linville stopped everything that came to him at shortstop and made two great plays in the second inning looking back the runner at second before making perfect throws to Jacob Rogers at first base. Another great play came in the fourth inning on a hard hit to right field. Jacob Mayer relayed the ball to Max Delgadillo who in turn had a perfect throw to the catcher Brian Cohen to tag out the runner coming home. Along with great defense, the Yankee bats came alive! The star was Krishtian Navedo who went 3 for 3 with a huge HOME RUN! Way to go Krishtian.

Every member of the team made contact with the ball. Ricky Caldero had a hard hit to second base and Shalita Jordan made it to first with a solid single. Cristian Figueroa was home sick but sent his mom to support the team. The team is looking to keep the momentum going when they face the Padres next game.
