T-BALL HIGHLIGHTS

Scrappers

4/18/06

The SCRAPPERS and Aquasox headed out onto the field for an afternoon game, and boy was it fun!

SCRAPPERS were the visitors, and had a tough opponent in the home team Aquasox. The little SCRAPPERS ran those bases, with Conall pulling in the last run of the inning for his team.

Then the SCRAPPERS got busy fielding the ball. As pitcher, Tanner made some nice throws. At first base, Jack's glove keeps getting better. Then, on the fourth batter, Chase caught the ball and nearly beat out the runner at second base. On the fifth batter, Zac made a showy out at first base. With the sixth batter, Jack made a great catch.

In the second inning, the SCRAPPERS got hits from Austin, Jack, Shelby, Tony, Logan, Conall, Zac, and Chase. Then Tanner beat out the first baseman to drive in another run.

In the bottom of the second, Conall's glove was on fire as pitcher. He caught a line drive and threw to first-baseman Chase for a double play to end the inning. And whoa, what a play it was!

In the third inning, Austin and Jack made nice hits, followed by Shelby, who handily made it to first base. Tony then hit an RBI bringing Austin home. Logan's hit brought Jack home, and Conall's hit brought Shelby home. Then Zac, Chase, and Tanner all made hits, too.

In the bottom of the third, pitcher Zac was hustling. First, he threw the ball to Austin who caught it for the first out. Then Zac beat another runner out at first, and he tagged out a runner at home plate.

In the fourth inning, Austin, Jack, Shelby, Tony, Logan, Conall, Zac, Chase, and Austin got base hits. Tanner hit into a fielder's choice to bring Conall home.

In the bottom of the inning, Jack showed his running style in full catcher's gear. Shelby really showed her hustle as pitcher, beating out a runner at home plate.

The Aquasox were great competitors and showed a lot of team spirit. The SCRAPPERS had a great time playing some old friends and new ones, too.

4/22/06

The SCRAPPERS showed up bright, early, and ready to play the Mudcats. The dark clouds looked ominous, but the sun shone on the kids.

The kids went right to work after two weeks off. In the second inning, Logan showed his stuff fielding first base, and Zac played great back-up at second.

Austin wore his speedy cleats, running home from the pitcher's mound to make an out. Zac threw a bullet from right field to Conall, who showed his glove at first to make a fantastic play.

All of the SCRAPPERS had bats in play. In the first inning, Daniel made a hit past the pitcher. Others with hits were Tanner, Austin, Jack, Shelby, Tony, Logan, Conall, Zac and Chase. In the fourth inning, Conall hit a line drive all the way into center field.

After the game, the players got tickets for the snack bar and indulged themselves for a job well done. SCRAPPERS, thanks for all the fun! We love you!

4/25/06

On a breezy afternoon, the SCRAPPERS played the Riverdogs. It was a dog-eat-dog game. The Riverdogs' bats were on fire, and there seemed to be an outbreak of crabiness in the dugout, but in spite of their obstacles, the SCRAPPERS stepped to the plate and played ball.

All the SCRAPPERS base runners showed their style by staying on their feet and racing across the bases. They looked great. Zac stayed on his feet and narrowly beat out the first baseman in the second inning. Shelby showed her speed running to first and then showed her courage later by running to third base and standing tall even after being hit by the ball. Jack demonstrated his batting power, hitting a few balls way into the air, and Tony hit a beautiful line drive in the third inning. In the

in the third inning. In the fourth inning, Chase hit a soaring double. Daniel had a nice, straight line drive that sailed off the tee.

The SCRAPPERS worked hard in the field, too. Logan was alert and showed great form as pitcher—great alligator, Logan. Tanner and Jack scooped up the balls and ran to their stations like the pros. We had two nice throws from pitcher to first base: First, Tony threw to Conall in the second inning, and then Chase threw to Zac in the third inning, both resulting in outs.

By the end of the game, the fans were chilly, but the players were red hot. The SCRAPPERS thank the Riverdogs for a great game!

The sun was shining, and it was a great day for baseball. The MUCKDOGS and the Raptors would meet again!

The MUCKDOGS brought their big bats to this game. Matt started the game off with a single, and ended up with two hits and two runs scored. Also with multiple hits in the game were Chris (scoring twice, with an RBI), Nate and Aldo (with three big smacks and an RBI each), and Carloss (who came around to touch the plate). Caitlyn (scoring in the 3rd) and Kris each came up with key singles. Kevin was the big RBI guy – knocking in two runs.

Defensively, the MUCKDOGS made several great plays. George was unstoppable on the mound, tossing to a stretching Jeremy at first. George also made an awesome catch while on the mound. At the hot corner, Adam

snagged the speeding ball and hustled to get the unassisted out. Behind the plate was a focused Austin, just waiting for the big play.

The MUCKDOGS and Raptors played a great game, and gave their fans plenty to cheer about.

Thanks again to the MUCKDOGS' coaches and the fans. Go MUCKDOGS!

5/1/06

The MUCKDOGS and Ironbirds were ready for yet another exciting baseball game.

Chris started atop the pitcher's mound, making several great plays. All attention went to Nate in all his gear behind the plate as he did an awesome job of tracking the ball. Austin and Caitlyn rotated at second, ready and waiting on every pitch. Matt (at pitcher) and George (at first) hooked up for a heads-up play for an out. Jeremy closed out the game on the mound, putting on quite the defensive display. Kris, Kevin and Aldo teamed up in the outfield, letting nothing get by them.

The MUCKDOGS were swinging the bats hard throughout the entire game. Carloss and Adam finished the day with two big hits each. Proving the name on the back of his jersey was Jeremy (aka Slugger), as he smacked two triples on the day, and ended with three RBIs. Awesome hitting, Slugger!!!

Both teams brought their "A" games tonight. Great job!

Thanks again to the MUCKDOGS coaches and fans – and especially to the MUCKDOGS for playing hard and having fun! Go MUCKDOGS!

5/6/06

The MUCKDOGS and River Cats met again for the early game on Saturday.

The MUCKDOGS took the field to start the game. Chris and George rotated on the mound throughout the game, and played like pros! Matt did a great job at second, charging the ball and throwing to George at first for an out. Caitlyn did a great job in left field, tracking the ball and relaying it in quickly. Kevin showed off his speed in centerfield, getting to a big hit in no time at all. Jeremy was behind the plate allowing nothing to get by him, putting Mike Piazza to shame!

At the plate, the MUCKDOGS as usual gave it their all. Matt started the game off with a double, moved to third with the help of George's bat, and came around to score from Chris' single. Nate came up with a big single to bring Chris home. In the third, Aldo knocked in a run to add another RBI to his stats. Austin started the fourth off with a strong single, and came around to score on Carloss' smack. The big bats today belonged to Kris and Jeremy, each going 2-for-2.

Great game by both the MUCKDOGS and River Cats. Good luck MUCKDOGS when you play the Raptors on Monday.

Many thanks to the MUCKDOGS' coaching staff and fans!

GO MUCKDOGS!

The RED SOX took the field first with Adam on the mound. With a determined look in his eyes, Adam struck out the side to start the game. Heading to the bottom of the first, the RED SOX'S bats were quiet and went down 1, 2, 3. It looks like we've got ourselves a game!

5/4/06

White Sox – 6
Callahan's RED SOX – 7

On a great night for baseball, the RED SOX and the White Sox met for another nail-biter!

The RED SOX's starting pitcher of the night was Trinton. After a couple of walks, Trinton took control when he grabbed a come-backer and threw to Tyler for the first out of the game. Brandon caught a pop-up at second for the second out, and Trinton went on to strikeout the next batter to retire the side. The RED SOX would get on the board first with a lead-off walk by Brandon – who came around score off the bat of Marcus. White Sox 0, RED SOX 1.

Even more confident in the second, Trinton struck out the first two batters he faced, and Brandon caught another pop-up for the third out. Trinton led off for the RED SOX in the bottom of the second with a single, but was left stranded. White Sox 0, RED SOX 1.

In the third, the White Sox had their first rally going. Mark came in to pitch for relief to stop the White Sox's bats. In right field, Carlos made two great plays to keep the runners from advancing any further. After two pop-ups to Marcus at short, Mark caught a pop-up on the mound for the third out. In all, four runs came in for the White Sox. Feeling the heat, the RED SOX came back with a few runs of their own. Brandon reached first on an error and scored off of Alex's double. Alex was caught at third. Marcus then reached with a single, followed by back-to-back-to-back doubles by Mark, Trinton and Adam. White Sox 4, RED SOX 5.

In the fourth, Alex had a nice grab at third, throwing to Adam at first for the first out. The White Sox singled and got a walk, but Mark followed up with a key strikeout and a HUGE catch in left field by Julian. In the bottom of the fourth, Brandon and Carlos led off with singles. With runners on first and second, Marcus walked to load

the bases, but the White Sox closed out the RED SOX with great defense.

On to the fifth. Mark made the switch to second, and threw to Adam at first for the out. The next batter smacked a double, followed by a single to center field. David played the ball perfectly and threw to Marcus at home to nail the runner. Great play! Mark followed up with a big strikeout. In the bottom of the fifth, Trinton smacked his third hit of the game, but was left on base. White Sox 4, RED SOX 5.

Mark took the mound for the final inning. The White Sox would not go down without a fight. The lead-off batter was hit by a pitch, but was thrown out by a strong throw by Marcus from behind to plate to a waiting Mark at second. After a few walks and a single, the White Sox scored 2 runs. Mark struck out the next batter, and then made a nice play on a come-backer and threw to Adam at first for the out. Could the RED SOX make another late-inning come-back???

Brandon led off the bottom of the sixth with a single, and was moved over to second from a perfect sacrifice bunt by Tyler. Alex stepped up to the plate, the RED SOX down by one, and hit another signature double – allowing Brandon to score and tie the game. Alex ran to third on an error. With Alex on third, Mark knocked in the game-winning run. White Sox 6, RED SOX 7.

The White Sox and the RED SOX played an AWESOME game that kept all the fans on their toes through its entirety.

Many thanks to the RED SOX coaching staff - Coach Larry will be thrilled to hear the outcome!
